The Cats' Cradle

We are a true no-kill, foster-based rescue organization.

We save the lives of as many homeless cats as we can and work to place adoptable cats into loving forever homes.

Our goal is to build a cat adoption center and sanctuary.

SENIOR KITTIZENS ROCK! (BETWEEN NAPS)

Top 5 reasons to Adopt a Senior Kitty!

1. Senior cats can be more low key...but they like to play too!
2. Senior cats already have fully formed personalities so you will know if they are a good fit.
3. You can teach an old cat new tricks!
4. Senior cats make great napping buddies.
5. Senior cats have the hardest time finding homes so you truly save a life...and they are fur-ever thankful.

If you have a barn, you can help save a life!

Barn placement is the last chance at life for these cats. Without barn adopters, they have nowhere else to go. If you have a working barn or safe, heated outbuilding, there are cats who need you. Having a barn cat or cats will help keep down the rodent population. The cats will be helping you, while you provide them a safe place to live. And, because these cats are already spayed or neutered, you won't have to worry about endless litters of kittens appearing!

Did you know?

The Cats' Cradle has been working in Downtown Morganton on TNR (trap, neuter, return)!

Over 4000 cats are killed every year in Burke and Catawba County Shelters. Help us save lives!

The Cats' Cradle is 100% volunteer run! We need more amazing volunteers – come join our team!

We Need a Home

The Cats' Cradle works 100% out of foster homes. We have started working on our dream to build a cat sanctuary, but we need your help. We are looking for 5-10 acres to be donated or owner financed...do you know someone that needs a tax deduction...do you have extra land and a big heart...do you know someone trying to get rid of undesirable land for a home...do you know a farmer trying to get rid of their back10 acres? Please contact us and keep the dream of hundreds of homeless kitties alive!
